Re: Revisions to General Chapter 1 to Update Ownership and Violation History, Task ID#5507
Canyon Fuel Company, LLC, Sufco Mine, C/041/002

Dear Sirs:

Enclosed with this letter is a copy of the text, Figure 1-1, Table 1-2 and Appendix 1-1. These contain updated information pertaining to ownership changes and the addition of violation history.

In accordance with regulation.... 112.300. *The name, address and telephone number of each business entity in the applicant's and operator's organizational structure, up to and including the ultimate parent entity of the applicant and operator;*

Within the text of Chapter One in the section labeled 112.300 we have identified that Bowie Resource Partners, LLC as the "Ultimate Parent Entity" for Canyon Fuel Company, LLC who is listed as the applicant and operator. It is also stated in Section 112.300 of the text that the address for the entities is the same as referenced in the section and the contact phone number and address are provided in Section 112.200.

The violations referenced for John Joseph Siegel, Jr. have been dealt with previously and the violations dealing with AML fees have disappeared from the AVS Permit Evaluation Report when it was last checked.

Sufco is under the impression that ownership and control information from the legal chapter is submitted to OSM for incorporation into the AVS-system. Since we have had many issues throughout the last year concerning officers and directors of the company popping up with violations from operations not currently belonging to or associated with Canyon Fuel Company which have held up permitting, we want to submit all changes which could potentially in the future effect permitting. Thus we have included position changes for any personnel who in the past were associated with Bowie and Canyon Fuel, including those who no longer are associated and those who have changed positions and responsibilities (i.e. Grant Quasha, John Siegel, Steve Rickmeier....). Although the Secretary Certificates list Grant S. Quasha as an officer, he resigned from the company on 6/9/2017.

The information in Appendix 1-1 has been revised to exclude the ownership/control information for Cedars Energy because it now owns less than 10% of the company.

Table of contents items and pagination will be corrected to reflect the final approved chapter information.

If you have questions or need additional information please contact Vicky Miller at (435)286-4481.

Sincerely,

A handwritten signature in black ink that reads "Vicky D. Miller". The signature is written in a cursive style. Below the name, there is a small, handwritten word that appears to be "for".
